#### **Reasons for allowance**

2. Claims 1-65 are allowed.

3. The following is an examiner's statement of reasons for allowance: the key difference between the instant invention and the primary reference to Nakao, et al. is the fact that Nakao, et al. does not, among other things, rely upon attaching a periodic mask to a panel of detectors in an image sensing device for enhancing the resolution of an image sensing device. It is for this reason, and in combination with all the other elements of the claims that claims 1-65 allowable over Nakao, et al.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
